

# **PRESCOTT DAZE**

## **GEOCACHING**

## **SCRABBLE SCRAMBLE**

Join us for the 4th annual Geocache Bash!!

There will be 7 temporary caches hidden all over the city of Prescott. These caches will be available beginning 8am Friday, September 9<sup>th</sup> until Saturday the 10<sup>th</sup> at 4pm.

### **HOW DO YOU GET DEALT IN?**

Your first tile can be obtained at: **N44 45.702 W092 48.011**

- The above waypoint will take you to the first container
- Take only one envelope per cacher **DO NOT OPEN THE ENVELOPES!!**
- Inside the lid will be the coordinates to the next cache container and your next tile.
- You must log each logbook at each cache.
- Bring your unopened envelopes to the Great River Road Learning Center/Freedom Park at 4pm on Saturday September 10<sup>th</sup>. **At N44 44.560 W092 47.405**
- At that time, tile envelopes will be opened and registered. Feel free to exchange tiles with a friend, however only one prize will be given for a winning hand, all 7 tiles must be from different cache containers. Any leftover tiles that you have after your play will be collected.
- Not completing all 7 caches will not disqualify you. You will just be playing with a limited number of tiles.
- The highest scoring play wins the first choice of prizes and additional prizes will be awarded in a descending order.

We will be relying on the good nature of geocachers to accept the tiles they draw. ☺ Please take only ONE envelope per cache, per player.....We of course want there to be enough tiles for everone.

**The cost of playing: Dillie Beef Sandwiches will be provided. Just bring a dish to pass that will go with them. Feel free to drop and grab a travel bug or two as well.**

If you have any questions or if you believe a cache box is missing, please contact Michelle Johnson at 715-781-6434 as soon as possible. Please be respectful of property and habitat, and beware of muggles (non-cachers) who might disturb a cache if they see where one is hidden.

**Fine print:** We request that parents or older siblings accompany children under 14. Geocaching involves a certain amount of risk. There are many variables including but not limited to, your vehicles condition, the road conditions, the weather conditions, the terrain, an individual's fitness level, and ones outdoor experience, that must be considered prior to entering an event such as this. In entering this event I/we agree to hold coordinators blameless and not liable for any accidents, losses, mishaps or any direct, indirect, consequential damages arising out of, or in any way connected with this Geocache Bash. I/we will accept full responsibility for our own actions and decisions.
